

24 JUL 1984

MEMORANDUM FOR: [REDACTED]
Resource Management & Planning Staff, OTS

FROM: [REDACTED]
New Building Project Office, OL

SUBJECT: 100 Percent Review of OTS Special Laboratory Space [REDACTED]

Andy,

1. As promised or "warned," I have attached the 100 percent drawings for the special laboratory space for the New Building. Attached are:

- a. Blueprints of the entire ground, first, and second floors
- b. 1/8" = 1'-0" blueprints of the special laboratories
- c. Blueprints of the elevations and details of the casework requested by the OTS divisions
- d. Finish Schedule

All of the above are color coded to try to make things easier to understand.

[REDACTED]

Note that there are drawings attached which do not belong to OTS. This package will be reviewed by all offices which have requested special labs in the New Building. Just review the drawings that belong to OTS. [REDACTED]

2. These drawings have been reviewed by OTS several times. This being the 100 percent review, there should be few changes. They do not reflect the changes [REDACTED] showed me for the [REDACTED] Have them note the changed counter arrangement on the blueprint. [REDACTED]

3. I am holding off on sending you a copy of the OTS computer run until I have the additional 60 positions reflected in it. [REDACTED]

4. Good luck with this enormous effort! Please feel free to call me if you have any problems, that is why I am here. If you see people confused or having a lot of changes, stop them and I will come over to help. [REDACTED]

5. Thank you for your time on this [REDACTED]
